- Hand in the completed evaluation form at the registration desk
- Email the completed evaluation form to: [diana.aron@ologyeducation.org](mailto:diana.aron@ologyeducation.org)

Or you may also complete the online evaluation form at:

<http://ologyeducation.org/luteinizinghormone/>

Full name: ..... Institute/Organization: .....  
City: ..... Country: .....  
Email: ..... Professional qualification: .....

How many years have you been in professional practice?

0–5	6–10	11–20	21–30	> 30
-----	------	-------	-------	------

### Quality of the event

How useful did you find this activity for your professional practice?

Extremely useful	Useful	Fairly useful	Not useful
------------------	--------	---------------	------------

If this activity was not useful, please explain why:

.....

What was your overall impression of this event?

	Excellent	Good	Fairly good	Poor	Very poor
Overall evaluation					
Programme					
Content quality					
Speakers					
Organization					

What was the best aspect of this event?

.....

**EUROPEAN UNION OF MEDICAL SPECIALISTS (UEMS)**  
**EUROPEAN ACCREDITATION COUNCIL ON CME (EACCME®)**

---

What aspect of this event could have been improved?

.....

**Relevance of the event**

What were your educational goals for, and you expected learning outcomes from, this conference?

.....

.....

.....

Did the event fulfil your educational goals and expected learning outcomes?

Very much	Somewhat	Not much	Not at all	Undecided
-----------	----------	----------	------------	-----------

Please rate the extent to which this activity met the following educational objectives:

Educational objective	Excellent	Very Good	Good	Fair	Poor
Evaluation of the latest understanding on the physiological role of LH in inducing ovulation					
Understanding of the interactions between LH and FSH, and the effects on ART outcomes					
Relevance of the new POSEIDON criteria to ART for patients with low prognosis					
Review of strategies to optimally select and manage patients eligible for recombinant human LH in ART to optimize ART outcomes					
Assessment of the recent advances in ART and their application in clinical practice					

Was the presented information well balanced and consistently supported by a valid scientific evidence base?

Very much	Somewhat	Not much	Not at all	Undecided
-----------	----------	----------	------------	-----------

# EUROPEAN UNION OF MEDICAL SPECIALISTS (UEMS)

## EUROPEAN ACCREDITATION COUNCIL ON CME (EACCME®)

How useful was each of the following sessions to you personally?

	Extremely useful	Useful	Fairly useful	Not useful	Undecided/ not applicable
<b>Session I</b> Moving away from Earth: lessons from the gonadotropins system					
<b>Session II</b> Flying through the stars: the impact of patient segmentation on therapeutic strategies					
<b>Session III</b> A new universe to explore: new medical trends in ART					

### Suitability of formats used during the event

Was there adequate time available for discussions, questions and answers, and learner engagement?

Yes, always/ almost always	Yes, sometimes	Only rarely	Never	Undecided
-------------------------------	----------------	-------------	-------	-----------

Can you indicate any innovative elements during the activity?

.....

### Ways in which the event will affect your clinical practice

Will the information you learnt be implemented in your practice?

Very much	Somewhat	Not much	Not at all	Undecided
-----------	----------	----------	------------	-----------

Can you provide ONE example how this event will influence your future clinical practice?

.....

What barriers do you see making a change in your clinical practice?

.....

.....

**Commercial bias**

Did all the faculty members provide their potential conflict of interest declaration with the sponsor(s) on the second slide of their presentation?

Yes, all	Yes, for the majority	Yes, but only a few	No	Undecided/ do not know
----------	-----------------------	---------------------	----	---------------------------

Can you provide an example of biased presentation in this activity?

.....

Do you agree that the information was overall free of commercial and other bias?

Strongly agree	Agree somewhat	Mildly disagree	Strongly disagree	Undecided/ do not know
----------------	----------------	-----------------	-------------------	---------------------------

After attending this activity, do you think that there are still gaps in education on the role of LH and on the latest developments in ART? If so, could you please list some topics that need to be addressed in the future?

.....  
.....  
.....

Do you have any other comments related to this activity:

.....  
.....  
.....

How did you hear about this activity?

Personal email  Email campaign  Website banner  Colleagues

Other: .....

Please state how Ology Medical Education may contact you:

Ology may email me updates for this educational activity.

Ology may email me with information about other educational activities.

We will keep your information for a reasonable time in accordance with the UEMS regulations and GDPR guidelines, but no longer than 5 years, and we will only share it with the UEMS up on request.

**We would like to thank you for your participation in this activity.**  
**All information provided will help improve the scope and purpose of our programmes.**
